

Editorial Note for Journal of Reproductive Endocrinology & Infertility

Without continual growth and progress, such words as improvement, achievement, and success have no meaning. Founded by Prof. Dr. Julie Chang (California, USA) in 2016 Journal of Reproductive Endocrinology & Infertility (ISSN: 2476-2008) is growing continuously. It is our pleasure to announce that during year 2019, all issues of volume 04 were published online on time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

Journal of Reproductive Endocrinology & Infertility during this year also brought out 38th Asia Pacific Reproductive Endocrinology & Infertility and 25th World Congress on Reproductive Endocrinology & Infertility conference proceedings, which consisted of ~ 50 abstracts.

All published articles of this journal are included in the indexing and abstracting coverage of Index Copernicus, Google Scholar, Global Impact Factor (GIF), CiteFactor, Electronic Journals Library, RefSeek, International committee of medical journals editors (ICMJE), Hamdard University, EBSCO A-Z, Virtual Library of Biology (vifabio), Studies receiving funding from a funding organization that is included on the list of PMC and Research Funder Policies or authors having NIH grant were submitted to PubMed.

During the calendar year 2019, JREI received a total of 57 papers, out of which 36 articles (58%) were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 18 articles were subjected for publication after they are accepted in the peer review process. In the 6 issues of Volume 04 published during the year 2019, a total of 11 articles were published (at an average of 6 articles per issue) of which, articles were published from authors all around the world. A total of 110 research scientists from all over the world reviewed the 11 articles published in volume 04. Average publication lag time of an article was further reduced to 2-3 weeks.

Reproductive Endocrinology & Infertility also announces its new association with Imed for Archiving, Journal maintenance, financial purpose and support .However the journal will be running its original website <https://reproductive-endocrinology-infertility.imedpub.com/> parallel for Editorial and review work process so as to maintain its highest standard of scientific work.

Imed has increased Readership Metrics (By Google Analytics) of Reproductive Endocrinology & Infertility.

I take this opportunity to acknowledge the contribution of Editor-in-Chief: Dr. Julie Chang (USA), Editors: Rajesh Kumar (USA), Vickram (INDIA), Levent Keskin-tepe (USA), Nataki C. Douglas (USA) during the final editing of articles published and the support rendered by the editorial chief Dr. Julie in bringing out issues of JREI in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of JREI, the office bearers for their

support in bringing out yet another volume of JREI and look forward to their unrelenting support to bring out the Volume 05 of JREI in scheduled time.
